Parlor Research house PREF is finished and will be photographed and filmed at the end of April.

PRODUCT DESIGN

We designed two parquet flooringss BETWEEN and CONTE for Italys iconic manufacturer of wooden flooring **conte**.
Premiered at the Milan Munich 2019 with the owners - Luca and Andrea Morgantelli.
We are pleased that these new designs have found broad interest and positive resonance.
BETWEEN is now available in the Natural Genius collection of Lizzone Giordano, Italy.
