

IMPRESSIONS FROM CURRENT PROJECTS

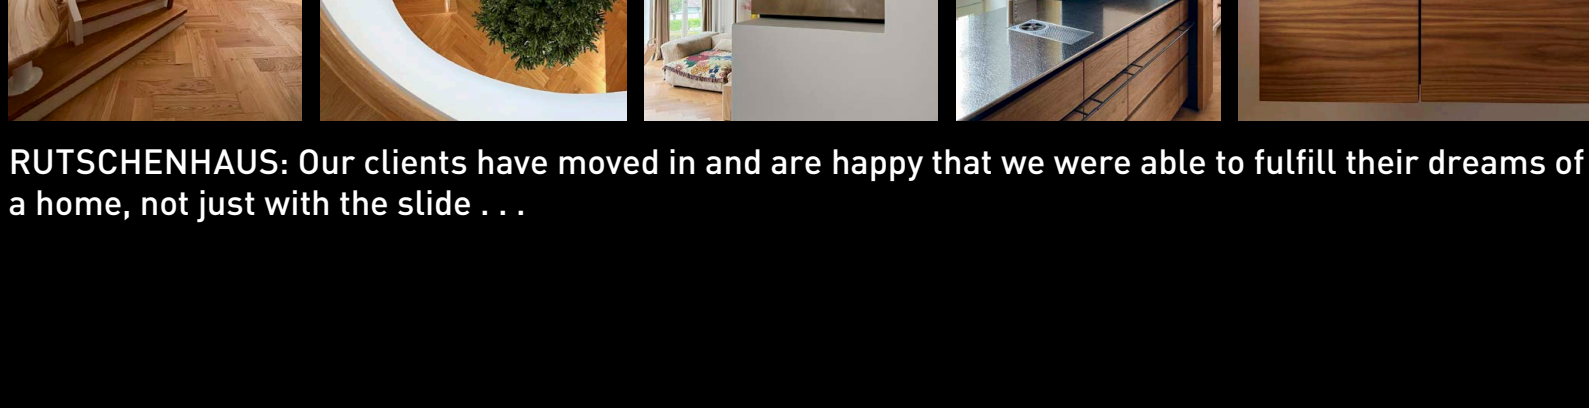

TANK HOUSE: The structural works are almost completed and the refining of the concrete is in full swing. Thanks to the master of the stone

PORTUS HOUSE: The bench besides the entrance has become very solid and therefore a bit heavier :-)
... so we needed a crane

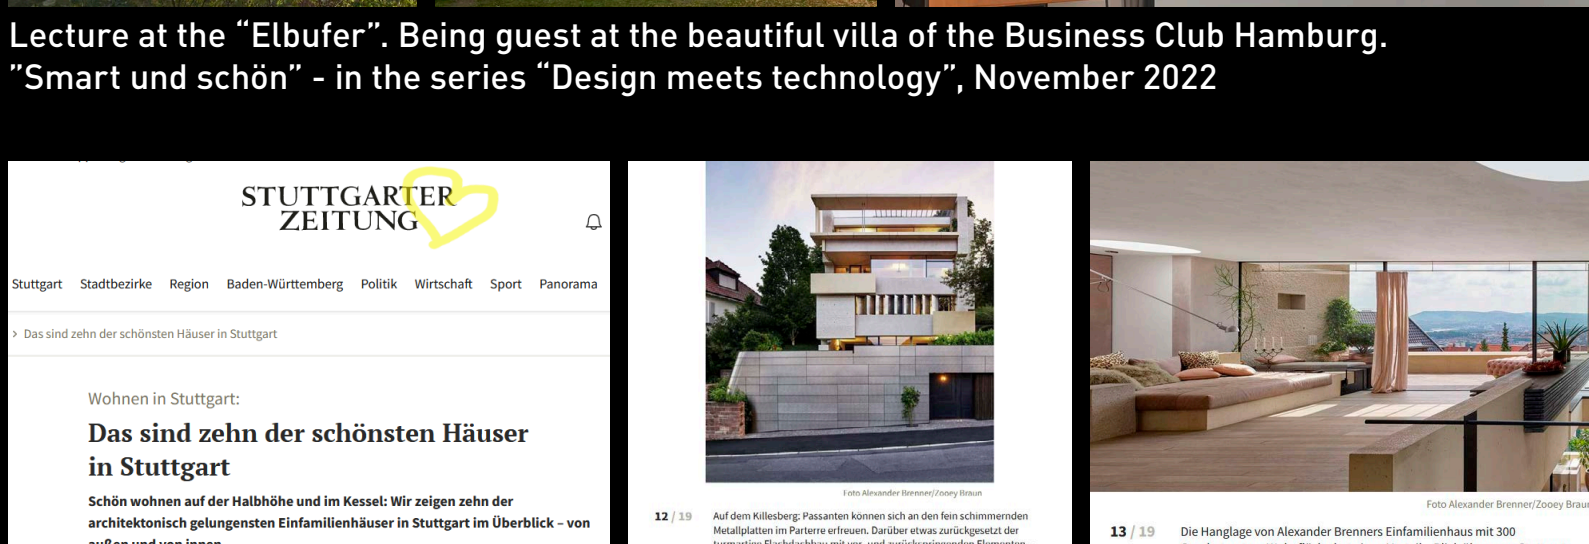

At the restaurant "Radikale MITTE" the roof will be finished on time, so that the works inside can go on

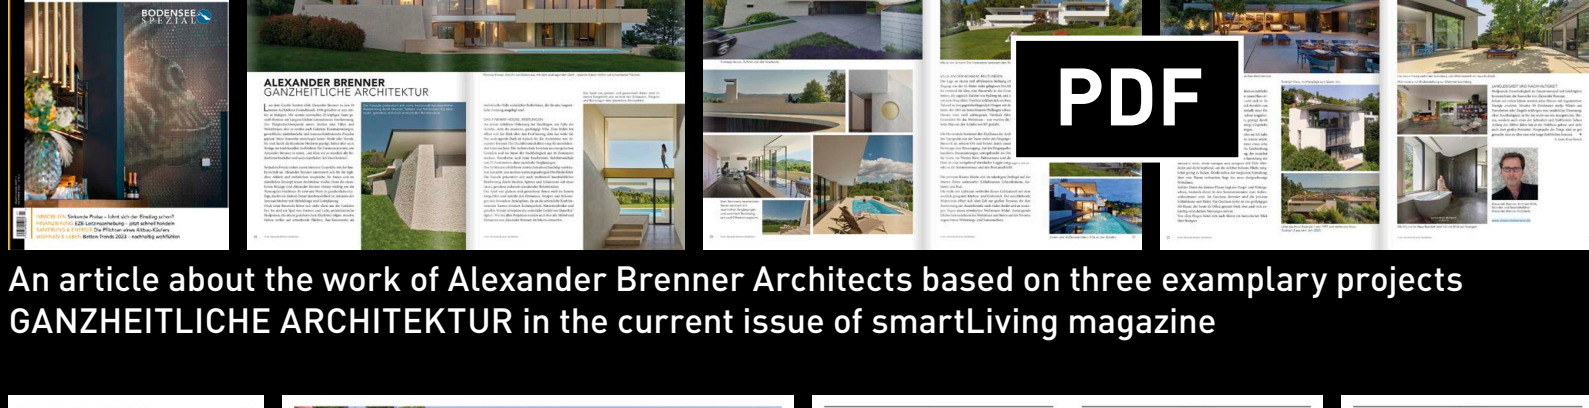

RUTSCHENHAUS: Our clients have moved in and are happy that we were able to fulfill their dreams of a home, not just with the slide ...
