## IN THE PAST WEEKS . . .

DAY OF ARCHITECTURE - Many guests visiting Parler Research House PR39, organized by the Chamber of Architects Baden-Württemberg.

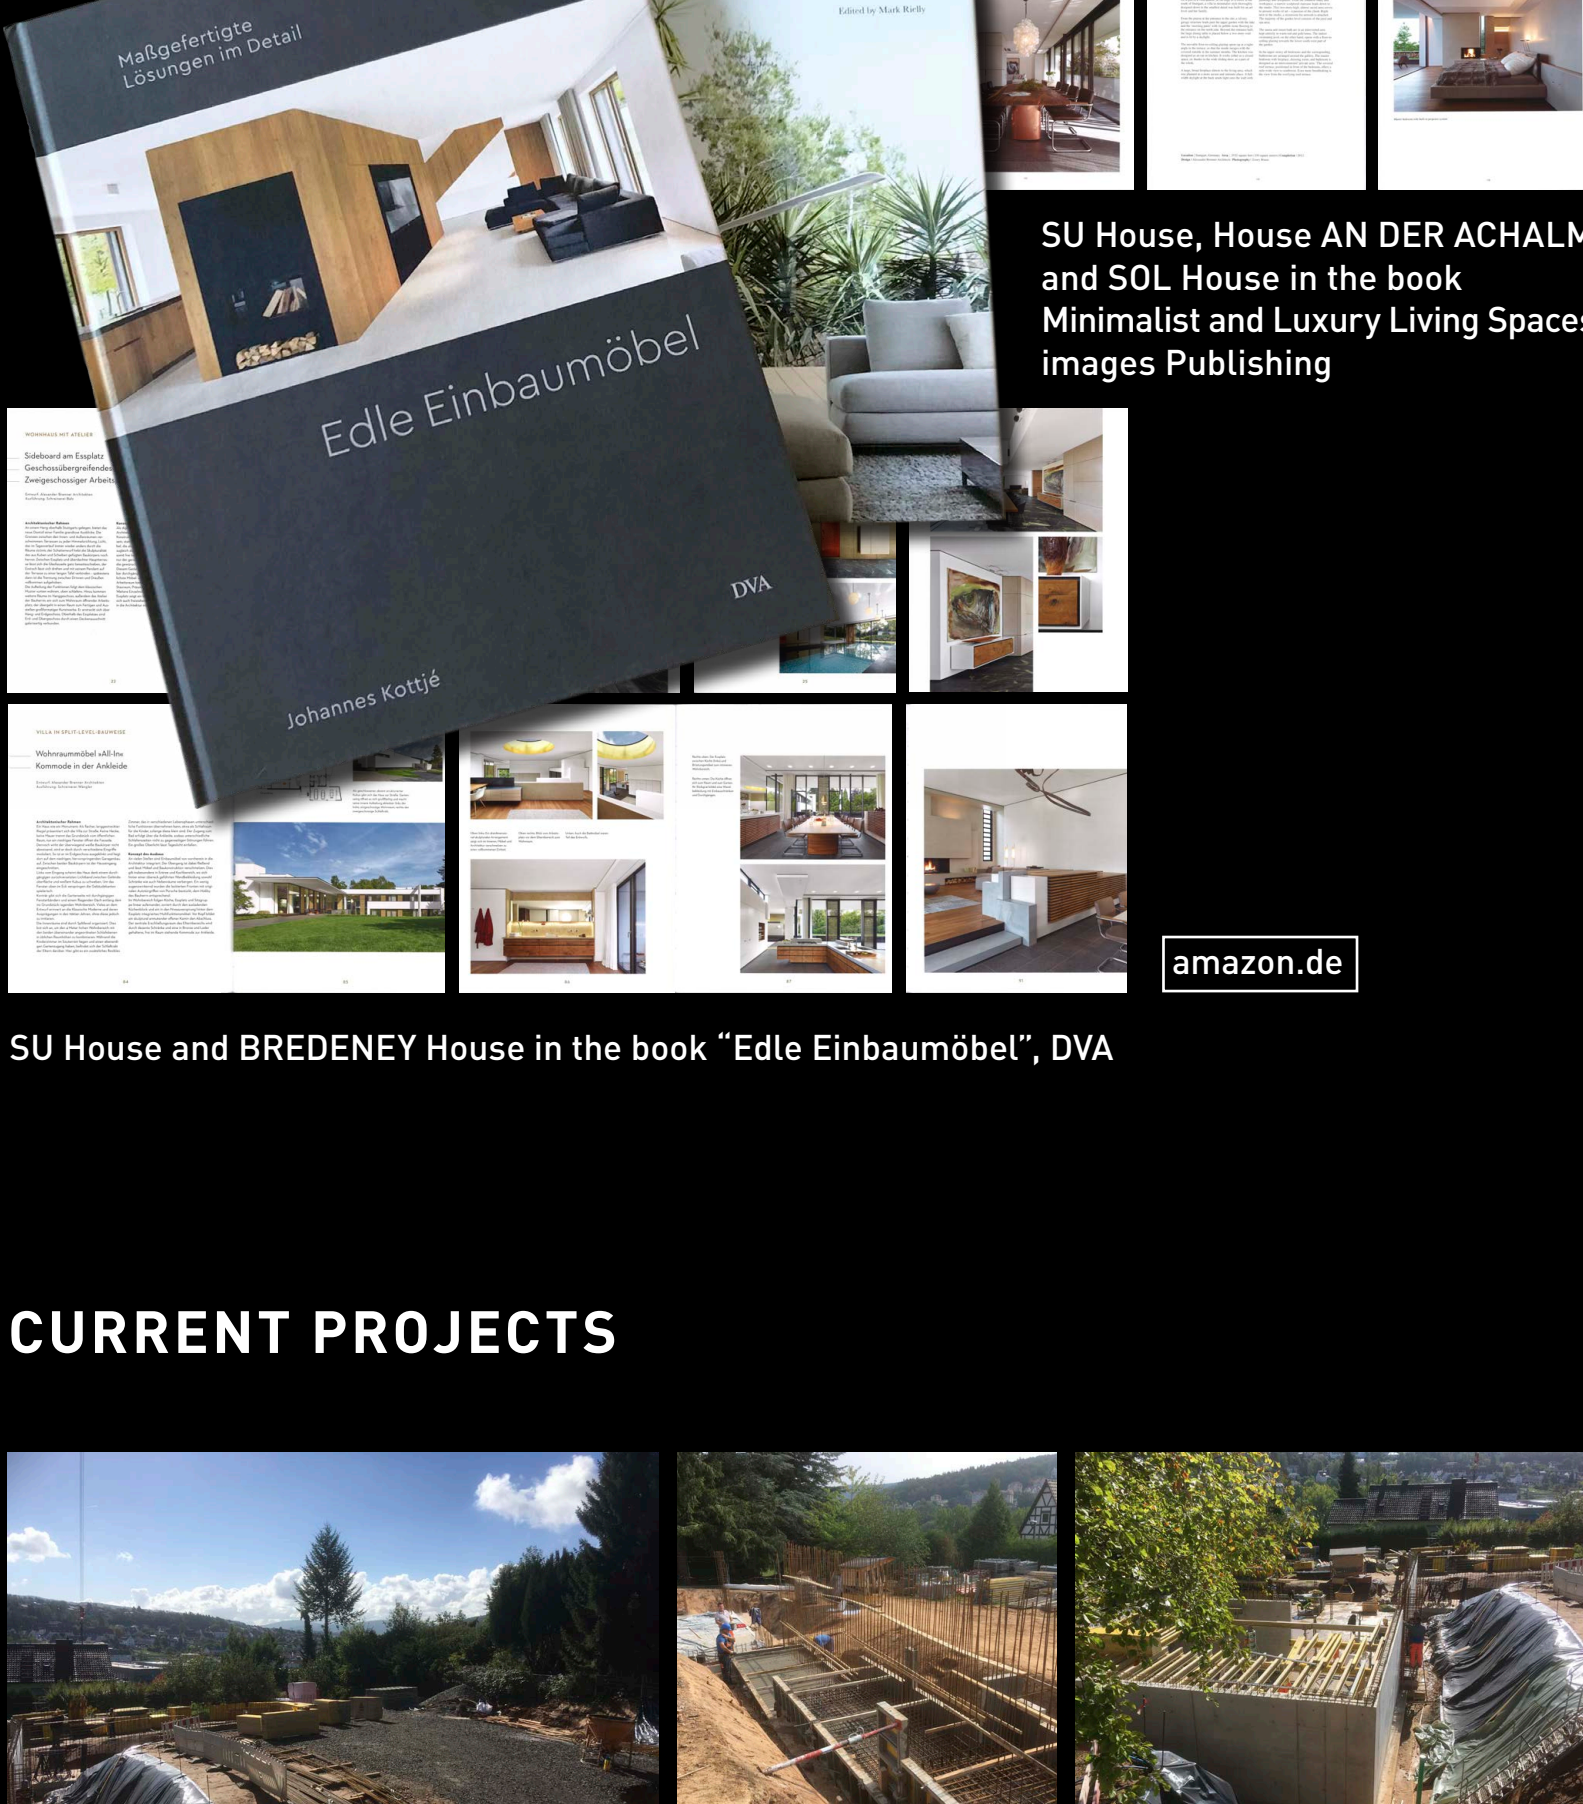

Film shooting for the German SWR Television "Villas in the south of Germany" in our nearly completed Parler Research House PR39. The documentary will be broadcast at the end of the year.

Fantastic team work with the one and only - Zooey Braun. Shooting at Crown House, Frankfurt - three intense and sunny days. And a big thank you to the owners for their patience and support.

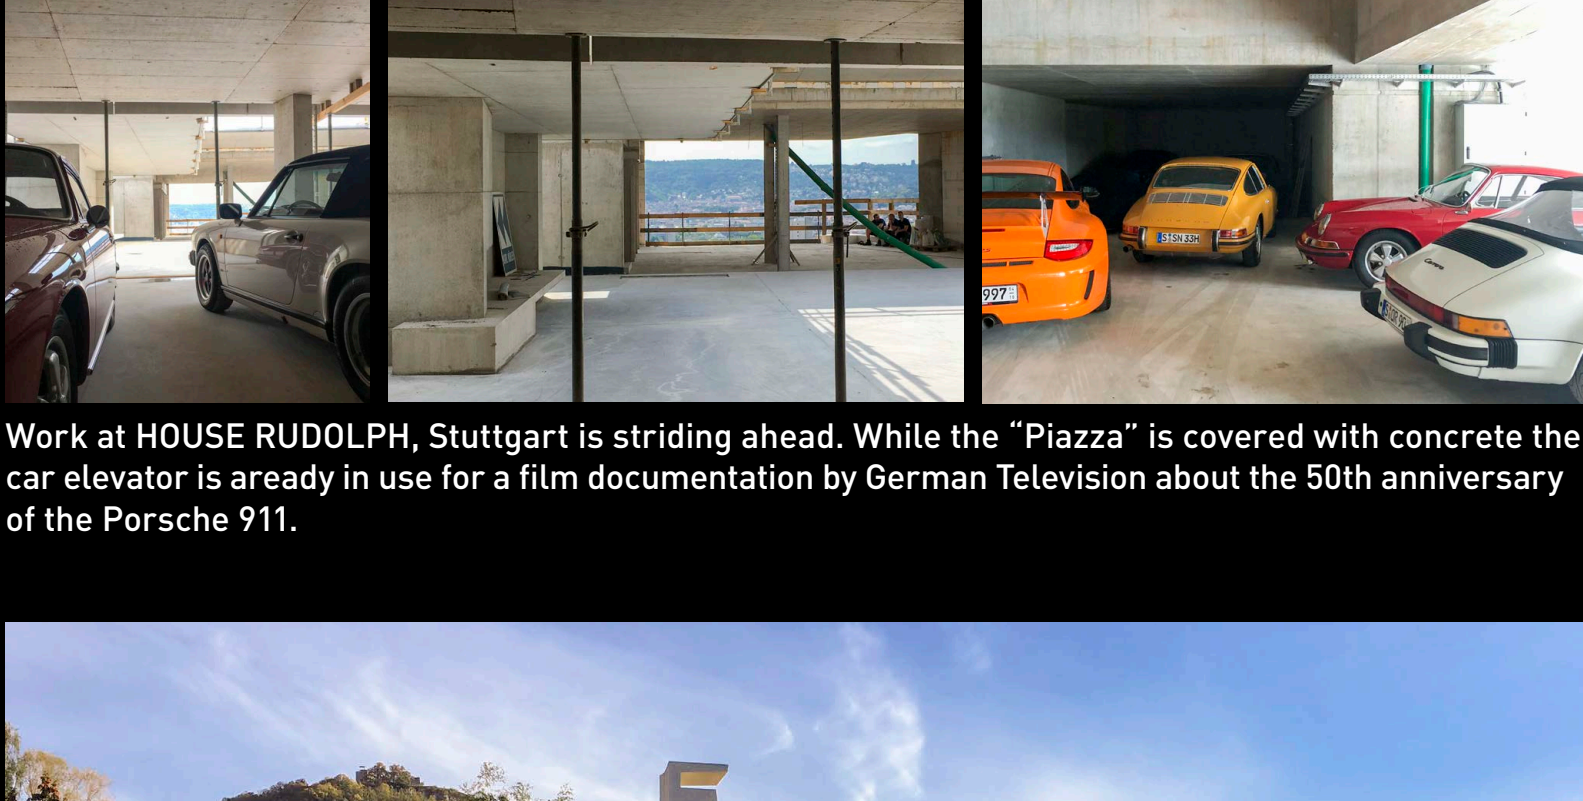

## PUBLICATIONS

SU House, House AN DER ACHALM and SOL House in the book Minimalist and Luxury Living Spaces images Publishing

SU House and BREDENEY House in the book "Edle Einbaumöbel", DVA

## CURRENT PROJECTS

Groundwork and foundation just started for the "Parkside" Bungalow in Melsungen.

Work at HOUSE RUDOLPH, Stuttgart is striding ahead. While the "Piazza" is covered with concrete the car elevator is already in use for a film documentation by German Television about the 50th anniversary of the Porsche 911.

Landscape gardening is almost done at Fineway House, Reutlingen.

We are looking forward to a beautiful autumn and wish sunny days to all of you!
