IMM Cologne: Two interesting and fulfilling days with new products and old friends :) Being at WALTER KNOLL, LEMA, BAXTER and many others . . .

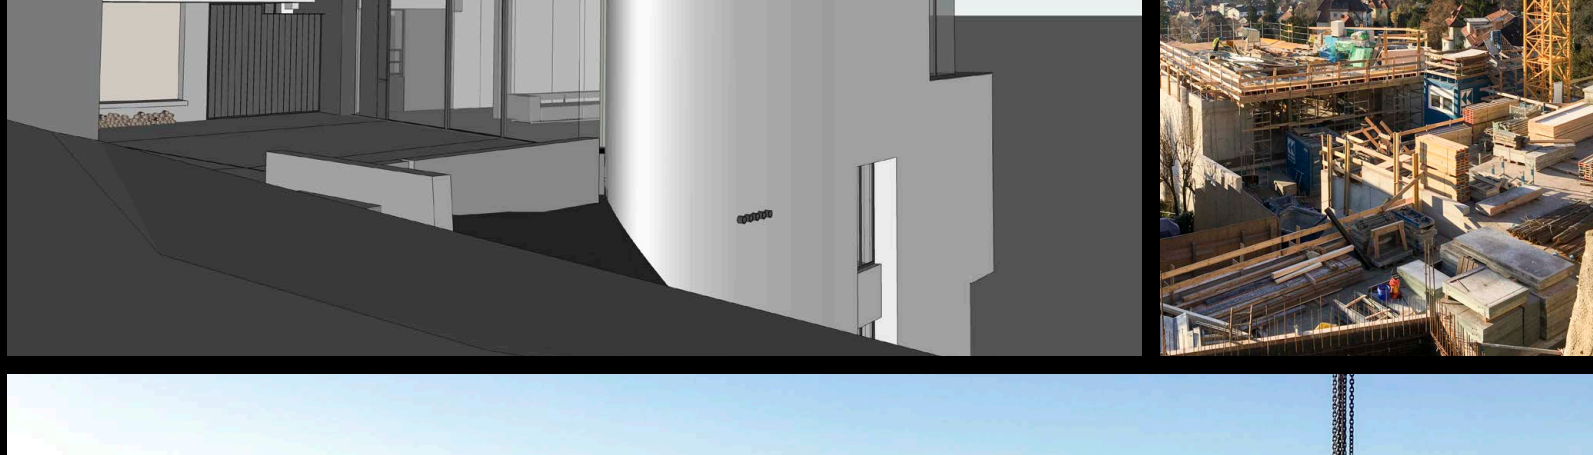

Inspiring discussions with the „pope of brick“ Bernhard Krutzke at the Backstein-Kontor Köln.

## GUESTS IN OUR ATELIER

Discussing our design for Listone Giordano parquet flooring with Ulrich Scheffold, MARGARITELLI and intensive discourses about the essence of colour with Thomas Ehret, KEIM.

## CURRENT PROJECTS

HOUSE RUDOLPH, Stuttgart - right next to House Robo a new volume has been rising from the hillside.

FINESWAY HOUSE, Reutlingen. The building shell and the refinement of the concrete are completed. 🍷

PARLER RESEARCH HOUSE PR 39. Massimo [Fa. Ammann] and his Team have done a great job and finished the plasterworks. Also superb - the welding for the gate by the guys of Michael Stratmann.
